North Florida HOMESCHOOL 2010 Standardized Testing

Cornerstone Academy is organizing the eighteenth annual north Florida standardized testing using the Iowa Test of Basic Skills for Grades 1 – 8, and the Iowa Test of Educational Development for Grades 9 – 12.

Florida Certified teachers will administer the tests in a controlled atmosphere. Iowa Test scores, a student profile, and an Annual Educational Evaluation will be provided to each family. **It is the recommendation of the Florida Parent Educators Association that only the Annual Educational Evaluation be sent to the School Board.** It is the responsibility of the family to send the School Board the Annual Educational Evaluation form. It is recommended that the form be sent via certified mail requesting a return signature for your files.

The only children who may test out of grade level are children who are testing below grade level. Children taking the 1st Grade test must be fluent readers. Please call Kathy Sellers for more information (813) 719-9373.
